Carter Auch is a passionate advocate for Young Professionals in the Upper Valley. As someone who grew up in the area, he takes pride in sharing this part of the world with those who are new or longtime residents. His professional career involves working as a residential and commercial real estate agent throughout New Hampshire and Vermont. If you're having trouble finding housing or know a friend or family member who could benefit from a conversation, reach out to him through Discord at username: CarterA or via his cell phone. He also serves as the referee-in-chief for youth hockey in the greater Upper Valley.

Aside from real estate, some of his passions are going to the gym, trying new recipes and restaurants, and spending time with family and friends. In the spring, summer, and fall he enjoys hiking, boating, stargazing, swimming, golfing, and attending different UVYP events. In the winter, he enjoys playing hockey, rooting for the Bruins, and skiing.

In his role as community development chair, he looks forward to continuing to grow the outreach of the organization and meeting new people. One quote he likes to live by is, "Go confidently in the direction of your dreams! Live the life you've imagined." – Henry David Thoreau
