

Ullas Krishnan

Operations

Ullas Krishnan works as a program manager for Siemens Healthcare in their R&D department in Princeton. He moved to Hanover after his spouse got a post-doc position at Dartmouth and hence currently works from home. Ullas was previously working for Siemens in Munich, Germany. He has a double Masters in mathematics and philosophy from Maastricht University (Netherlands) and has also worked as a visiting academic at Oxford University. Ullas hails from the southern part of India and loves cross-country skiing, drawing, reading history and playing soccer.

See Ullas' profile on [LinkedIn](#).
